

KAPPAS SAVE LIVES

Compete with other chapters to help patients receive their life-saving cell therapy.
The chapter with the most points WINS!!

2 simple ways to earn points

Chapter participation will require a short 30-minute education session (live or virtual) for chapter members to learn about NMDP.

- **Plan and complete a 30-minute educational session for your campus peers to learn about NMDP. For each NON-KAPPA in attendance, your chapter will receive 2 points.**
- **Inform those joining the NMDP Registry to respond to the post-recruitment text/email. The response rate percentage earns your chapter points. The higher the response rate, the more points your chapter earns.**

e.g. If 110 individuals register, and 85 respond (whether the response is yes or no) your chapter earns 77 points for a 77% response rate.

The chapters with the most points between 2/23/26 and 9/30/26 win!!
